

## THINGS TO REMEMBER ON GROUP PICTURE DAY

Group Photo Day has a very fast paced schedule.  
Please be sure to arrive at your time!

Before leaving your class room.....  
Please collect all order envelopes from the students.  
Leave large coats and sweaters behind.  
Line your students in the order of tallest to shortest.

A sample photo will be emailed to you after your photo,  
along with instructions on how to properly identify your  
students.

A sample identification photo is available to view in teachers  
corner if needed.

**Thanks!!!!**
